NOVA™ Reach-ins

NOVA™ Reach-in Refrigerators and Freezers are perfect for high-volume applications as the airflow design consistently maintains temperature tolerances. They also boast the largest interior storage space in the industry.

- Refrigerators and freezers
- Glass doors available (refrigerator models only)
- Available in 1, 2, or 3 full or half door models
- Top mount refrigeration system
- Microprocessor with digital display
- Stainless steel interior and exterior
- Standard models ship the same day!
- UL and C-UL Safety & UL Sanitation
